The 16th China Global Wood Trade Conference

3-5 September, 2026

Rizhao, Shandong

Where Global Wood Traders Meet in China

As global wood market situation changes rapidly, the China Global Wood Trade Conference (GWT China) was established to facilitate and promote information exchange and business cooperation for global wood trade community. Initiated by China Timber and Wood Products Distribution Association (CTWPDA) in 2011, every year, GWT China takes place in one of the major port cities in China. GWT China is the only annual event where global wood traders meet in China, and attracted more than 1000 participants, including high level officials, experts, representatives of international forestry organizations, industrial associations and outstanding companies, from over 20 countries every year.
